The next general opinion was that beauty matters „little“ : Portugal-30%; Spain-26%; Romania, Malta, Italia-12%. Italy is standing out with a percent of 26% of students who answered that beauty matters „A LOT“ and 0% „NOTHING“. This shows that most students know that beauty is not the most or least important aspect of a relationship.

7.Importante of compatibility in a sentimental relationship.

	Portugal	Italy	Romania	Spain	Malta
A LOT	80%	63%	63%	54%	38%
ENOUGH	12%	23%	25%	25%	33%
I DON'T KNOW	1%	12%	9%	6%	8%
NOTHING	2%	0%	2%	2%	12%
LITTLE	5%	2%	1%	3%	9%

The importance of compatibility in a relationship was answered by Portugal with 80% for „A LOT“, followed by: Italy and Romania-63%; Spain-54%; Malta-38%. The answer „ENOUGH“is present 33%-Malta; 25%-Romania and Spain; 23%-Italy; The highlights of this question are for the answer „NOTHING“, where Malta has the biggest percent (12%) and Italy the smallest (0%). As an observation, we can say that in general students consider the psychological factors such as similarity are very important.

8. Importance of understanding each other in a sentimental relationship

	Portugal	Romania	Italy	Spain	Malta
A LOT	90%	84%	79%	72%	66%
ENOUGH	10%	12%	19%	18%	16%
I DON'T KNOW	0%	1%	0%	1%	9%
LITTLE	0%	2%	2%	1%	5%
NOTHING	0%	1%	0%	1%	4%

The following question lays down the importance of understanding each other in a sentimental relationship. All 5 countries had a majority answer for "a lot" Portugal leading with 90% followed by: Romania-85%; Italy-79%; Spain-72%; Malta-66%. "Enough" was answered with under 20% for each country (19%-Italy; 18%-Spain; 18%-Spain; 16%-Malta; 10% Portugal) and the percentages for "little" and "nothing" are under 5% for each country, Portugal actually having 0%. Understanding is also a significant part in a sentimental relationship in the mind of young people.

9. Importance of solidarity in a sentimental relationship

	Portugal	Romania	Italy	Spain	Malta
A LOT	70%	56%	56%	53%	46%
ENOUGH	25%	31%	28%	31%	26%
LITTLE	0%	2%	4%	2%	12%
I DON'T KNOW	3%	9%	8%	3%	9%
NOTHING	2%	2%	2%	3%	7%

Solidarity as an important factor in a relationship was answered in two main ways. The biggest percentages of answers were for „A LOT“ starting with Portugal-70% followed by: Romania and Italy-56; Spain-53%; Malta-46%. The second most voted answer was „ENOUGH“, this time Romania and Spain having the biggest percentage: 31%. At this question Malta has 7% answers for „NOTHING“ and Portugal 0% for „LITTLE“. The students, no matter the country they are from, agreed that solidarity is the key element in a relationship.

10. Importance of friendship in a sentimental relationship

	Portugal	Spain	Romania	Malta	Italy
A LOT	93%	65%	59%	50%	48%
ENOUGH	4%	20%	28%	33%	38%
I DON'T KNOW	1%	1%	11%	7%	5%
LITTLE	1%	1%	1%	8%	5%
NOTHING	1%	2%	1%	2%	4%

The importance of friendship in a sentimental relationship was handled pretty similar in each country with small changes in Malta and Italy. Thus, we have Portugal who answered „A LOT“ with the vast majority of 93%; Spain-65%; Romania-59%. In Italy and Malta the situation was treated almost in half. In Malta we have answers 50% for „A LOT“; 33% for „ENOUGH“. In Italy „A LOT“ was voted by 48% and „ENOUGH“ by 38%. The other answers were debated with small percents, Romania this time answering with 0% votes for „NOTHING“. We can observe that friendship it's the second, if not the main criteria when it comes to forming a sentimental relationship.

11. Importance of fidelity in a sentimental relationship

	Portugal	Italy	Spain	Romania	Malta
A LOT	96%	87%	82%	80%	69%
ENOUGH	2%	9%	8%	12%	22%
I DON'T KNOW	0%	4%	3%	1%	4%
LITTLE	1%	0%	0%	3%	1%
NOTHING	1%	0%	0%	4%	4%

When asked about the importance of fidelity in a sentimental relationship, Portugal students answered almost unanimously with „A LOT“, with a percentage of 96%, followed by Italy-87%; Spain-82%; Romania-80%; Malta-69%. The other options were treated more superficially, „ENOUGH“ being answered with 22% in Malta; 12% in Romania; 9% in Italy; 8% in Spain; 2% in Portugal. Both Spain and Italy had 0% answers for „NOTHING“ and „LITTLE“. This is showing the strong principles of each country for fidelity.

12. Importance of honesty in a sentimental relationship

	Portugal	Italy	Malta	Spain	Romania
A LOT	93%	87%	82%	77%	62%
ENOUGH	6%	10%	11%	11%	22%
I DON'T KNOW	0%	3%	1%	2%	11%
NOTHING	0%	0%	4%	1%	3%
LITTLE	1%	0%	2%	1%	2%

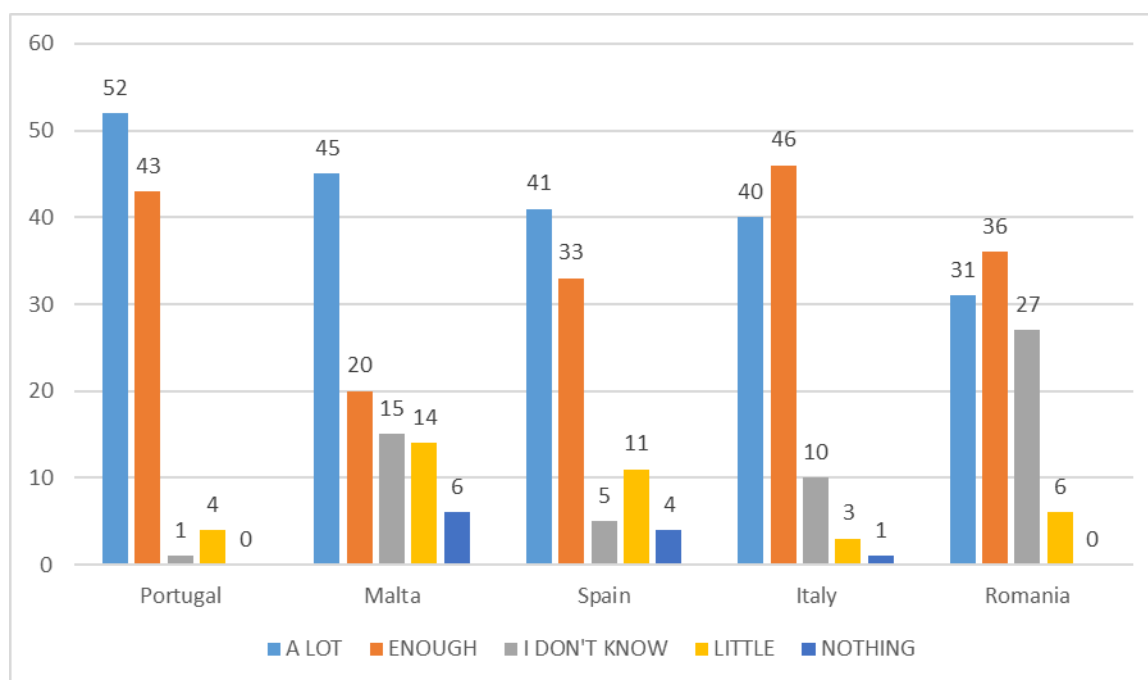

Honesty as being important in a relationship was approached by each country differently, but the majority still voted "A LOT" of importance for honesty. We have 93% portugese students who answered „A LOT“; 87% in Italy; 82% in Malta; 77% in Spain; and 62% in Romania. The Romanians had the most diverse answers at this question therefore on the second place we have: „ENOUGH“-22%; „I DON'T KNOW“-11%; „NOTHING“-3%; „LITTLE“-2%. This time Portugal and Italy had 0% answers for „LITTLE“ and „NOTHING“. The observation we got to is that the sentimental relationships of

the young are developing into a healthy state based on honesty and moral values.

13. Importance of independence in a sentimental relationship

	Portugal	Malta	Spain	Italy	Romania
A LOT	52%	45%	41%	40%	31%
ENOUGH	43%	20%	33%	46%	36%
I DON'T KNOW	1%	15%	5%	10%	27%
LITTLE	4%	14%	11%	3%	6%
NOTHING	0%	6%	4%	1%	0%

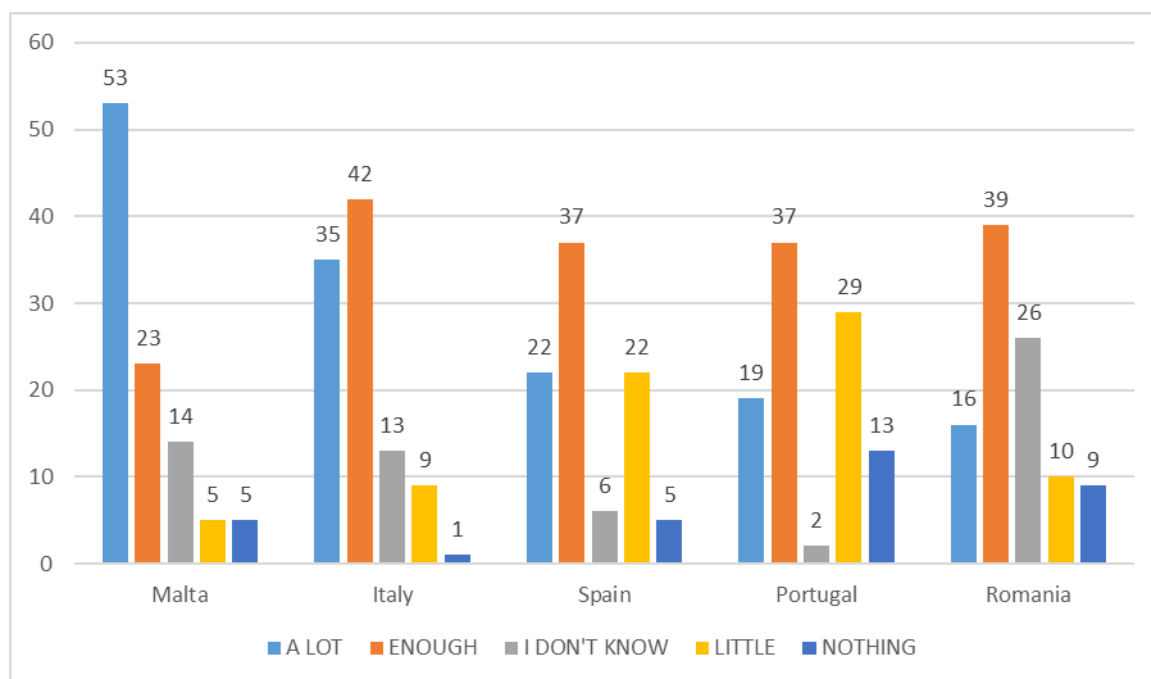

At this question the opinions were almost positive but a small percent in each country still voted negatively. Portugal voted in percent of 52% for „A LOT“ almost the same as Malta, Spain and Italy. Italy also answers in a significant percent for „ENOUGH“ (46%), same as: Portugal-43%; Romania-36%; Spain-33%; Malta-20%. At this question we also have an important number of votes for „I DON'T KNOW“ from Romania (27%) and Malta (15%). Portugal answered again with 0% for „NOTHING“. Independence has become generally

a necessary condition in today's society and also in the sentimental relationships even though sometimes the students seem not to be sure how to approach this problem.

14. Importance of having intimate relations in a sentimental relationship

	Malta	Italy	Spain	Portugal	Romania
A LOT	53%	35%	22%	19%	16%
ENOUGH	23%	42%	37%	37%	39%
I DON'T KNOW	14%	13%	6%	2%	26%
LITTLE	5%	9%	22%	29%	10%
NOTHING	5%	1%	5%	13%	9%

Intimate relations were not very approved by students in every country, percentages varying excepting Malta, with 53%-, „A LOT“ answers. „ENOUGH“ was voted by each country moderately: Italy-42%; Romania-39%; Portugal and Spain-37%; Malta-23%. We have also import percentages for „LITTLE“ with 29%-Portugal; 22%-Spain. Again, the romanians seem to be unsure and voted with a big percentage of 26%-, „I DON'T KNOW“. This shows that students grant a medium significance to the intimate relations.
