About the event - Purpose

- The seminar aimed to disseminate the results of the study "Values and interests of adolescents in Europe" and initiating a dialogue between participants on solutions for better youth involvement in social life, achieve their own interests and success in career.
- The study was based on research by the authors among more than 250 students aged 14-18, of 6 partner schools (from Bulgaria, Poland, Turkey, Slovenia, Italy and Romania) participating in Erasmus + project "Forum Theatre - a Learning Instrument for Education" - FOR LIFE and was conducted between October 2014 - January 2015.

About the event - Objectives

Objectives of the seminar were reached:

- a. to inform the participants about the results of the study;
- b. to take into consideration general and specific issues related to the way that adolescents can achieve their interests in the actual context;
- c. to raise awareness about the importance of investment in education to achieve the interests of adolescents and success in career.

Organizing the activities

- Activities were organized as presentations, workshops, interactive discussions.
- The opinions expressed in the seminar reflected only the views of the authors and do not necessarily reflected the views of the European Commission.
